C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

In accordance with Federal Register 24 CFR Part 903.21 The basic criteria Colorado City Housing Authority will use for determining what constitutes a significant amendment or modification to the plan is listed below.

Rent or admissions policies or organization of the waiting list;
 Additions of non-emergency work items
 Additions of new activities not included in the PHDEP Plan
 Or any changes with regard to demolition or disposition, designation, homeownership programs or conversion activities

At this time the Colorado City Housing Authority has not made any changes to the plan at this time.

B. Significant Amendment or Modification to the Annual Plan:

Colorado City Housing Authority did not make any changes to annual plan

Based on Comments for safety:
 Colorado City maintains the security lights in our area.
 Colorado City Police Department patrols the development on a regularly basis.
 Colorado City Housing Authority is in the process of starting a Neighbor Watch Program.

C. PHDEP Plan Goals and Activities

In the tables below, provide information on the PHDEP strategy summarized above by budget line item. Each goal and objective should be numbered sequentially for each budget line item (where applicable). Use as many rows as necessary to list proposed activities (additional rows may be inserted in the tables). PHAs are not required to provide information in shaded boxes. Information provided must be concise—not to exceed two sentences in any column. Tables for line items in which the PHA has no planned goals or activities may be deleted.

The Resident Advisory Board of the Colorado City Housing Authority met at 3:00 P.M. on November 28, 2000, in the office of the Colorado City Housing Authority, to discuss the Annual and Five Year Plan of the Housing Authority. The concern of greatest interest to the Advisory Board was the upcoming modernization which has been funded through the 1999 and 2000 Capital Fund Program. Several questions were submitted concerning the installation of central heating and cooling in each unit. It was noted that in West Texas, cooling is as important in the summer as heating is in the winter because of the extremes of conditions experienced in this part of the country. Residents were pleased to know that bids for the hiring of a contractor are currently being received in order to begin work in this area, and bid opening will be November 30, 2000. Management informed the Advisory Board that once a contractor is hired, construction is scheduled to be completed within a nine month period of time.

Elderly Advisory Board members particularly were concerned about the condition of their apartments, because they consider these units to be their homes and want to keep them in good repair. Rotting wood in eaves is of great concern to residents. Other items that Residents want to see repaired are cabinets under kitchen sinks where water has leaked from damaged plumbing, and replacement of worn out kitchen faucets. They also felt that it is time to repaint the interior and exterior of most units.

Regarding safety features, the Advisory Board was concerned about the installation of carbon monoxide detectors in all units. They felt that this should soon be considered. There was discussion about the installation of hard wired smoke detectors. Management reported that these are scheduled to be installed in all apartments during the upcoming construction which is currently being bid. Questions were also asked about the time frame for the installation of the speed bumps that are to be constructed on Manuel Street and Delaney Circle. Residents related that many children are in the streets at different times of the day, and their safety and well being are of concern to the Residents. Management noted that construction of these speed bumps will be taking place during 2001.

The Resident Advisory Board had no particular questions or comments concerning the management aspect or the financial aspect of the Housing Authority. They were encouraged, however, that HUD is making funding available through the Capital Fund Program to upgrade the units and surrounding common areas.

Management will be responding to the aforementioned concerns of the Resident Advisory Board by seeking to bring about the repairs mentioned and to install the safety features requested.

**Attachment F: EXPLANATION OF PHA RESPONSE TO
COMMENTS OF RESIDENT ADVISORY**

Colorado City Housing Authority has included carbon monoxide detectors that were requested by the Resident Advisory Board Members into their Five Year Plan.
